June 2017

〈Environmental Day〉

We celebrated Environmental Day on Mon, 5th June. Miss Donna / IQ Teacher taught us how to look after our earth.

〈International Day〉

We had a great fun day, International Day on Thurs, 29th June for K1, K2 and K3 and on Friday, 30th June for Pre-K. Thank you so much for your lovely meals.

〈Open Class〉

We had an Open Class week between Mon, 12th -Thurs, 15th June.

Kids' Academy International Pre-School Japanese Bilingual Programme

47, Sukhumvit 63, Soi 2, Wattana District, Bangkok, 10100

★★ Upcoming July ★★ 〈Tanabata〉

Tanabata will be on Fri, 7th July, We will make a wish and hang it on the Sasa tree.

〈National Holiday / 10th July〉

Mon, 10th July is the Thai National Holiday, Asalha Bucha Day. School will be closed.

〈Summer Festival / 19th July〉

We will celebrate the Japanese Summer Festival on Weds, 19th July. If you have a Japanese costume, please send your child in a Japanese costume. Thank you.

〈Last day of Term 1〉

Fri, 21st July is the last day of Term 1

〈Sensory Garden〉

Now we have our big natural garden, the Sensory Garden. All of our Kids' Academy students will enjoy this garden!

Class News

スターライト (Starlight)

(Miss Michelle)

This month has been very busy for Starlight. We were very lucky to have our parents visit us for Open Class and we had a fun filled morning with them, carrying out activities related to our In the Garden theme. We also enjoyed learning about Brazil and did a wonderful job dancing to the Samba de Janerio for International Day! All of the children looked very cute in their costumes!

レインボー (Rainbow)

(Miss Carys)

It has been a very eventful month in Rainbow class! As well as celebrating World Environment Day and inviting our family to school for Open Class, we have also been practising very hard for our International Day performance. Our topics this month have been 'In the Garden' and 'Around the World' and we have loved exploring them together in class.

K1 サンシャイン (K1 Sunshine)

(Miss Tomoko)

This month, many children became sick. Even though, there were less children in the class, we practiced hard for the International Day performance. They learnt about the theme "America" and we also made American flags. On the day of show, they performed so well and I am so proud of them. Only a few weeks left in this term, I would like them to have a happier time.

K1 トウインクル (K1 Twinkle)

(Miss Kumiko)

We enjoyed art and craft according to our "India" theme for International Day. We made flags of India as well as an Elephant and a peacock. On the International Day the children were quite nervous to be on the stage, but in the end they performed so well. It will help their confidence in their future. Thank you so much for your warm support.

K2 プラネッツ (K2 Planets)

(Miss Dani)

Its been a busy term for K2! Not only have we "travelled" to various countries like Mexico, South Africa and Greece but we have also learnt an amazing new Nigerian song as part of our Around the World theme! We also began our very first letters and sounds! K2 have all worked very hard and gave a fantastic performance at International Day! Well done!

K3 ロケッツ (K3 Rokets)

(Miss Keiko)

This month we worked so hard for our International Day performance. The children enjoyed watching other classes dancing and then copying their performance too. On the day they performed so well and the children were so happy. During lunch time we practiced eating without wearing aprons. This is good practice for when they move up to the primary school.

(Miss Tomoko)

It is the rainy season in Japan and Thailand. We made a clock and an umbrella during craft time. We also put our boots and raincoat on and enjoyed a little rain in the garden. The children enjoyed being with friends and we all sang songs and danced. They requested their favourite songs!

(Miss Kumiko)

The children have got used to coming to school now and I can see their happy faces everyday. They can express their feelings with words and make a conversation between friends. This month we studied about the Japanese and Thai rainy season and we sang songs such as "Kaeru no uta" & "Katatsumuri".

(Miss Michelle)

This month K1 Sunshine enjoyed learning about Transportation and we also visited a range of different countries in our Around the World topic. The children especially enjoyed cooking traditional dishes from some of the countries we explored. We have also had lots of fun playing in our new outdoor area and look forward to having many more opportunities to play there next month!

(Miss Carys)

This month in Twinkle class we have been exploring the topics 'Transportation' and 'Around the World'. We learnt about all different types of transportations and lots about different countries, flags and maps. It has been a great month in Twinkle class and we are looking to start Book Week in July!

(Miss Keiko)

Our theme for this month is the rainy season. There are some differences between the Thai rainy season and the Japanese rainy season. We learnt about these differences. I can see our children love to sing songs, and each child understood the meaning of the songs and enjoyed them. I would like to sing more songs and make them happy.

(Miss Dani)

K3 have finished phase 2 phonics and are moving on to trickier words and sounds! We also have been able to "visit" exotic countries like India and Mexico as part of our Around the World theme! K3 have learnt about bollywood dancing, Mexican food and Russian music we have all worked very hard and are looking forward to another month together!
